4.70 Average Rating

Comment/Suggestion

- Air conditioner is not work. It's hot.
- Timing of the training could be improved. The term has just started-many faculty members, especially chairs and program directors are busy during the first few weeks of term with students and administrative issues.
- Love all the snack box and lunchbox // Wish there were more time for Independent review writing.
- This training is very useful for writing EdPEX.
- อาจารย์มีเทคนิคการสอนที่ทำให้เข้าใจและยกตัวอย่างได้เห็นชัดเจน ทำให้มีความเข้าใจในหลักการของ EdPex มากขึ้น ขอขอบคุณค่ะ
- Please avoid organizing a training during weekends of week 1. It's too tiring for those who have to teach.
- The training was useful but I think I will need more time and experience to understand more.
- Very good, thank you very much.
- Air conditioners did not work well enough for a seminar. They really need big maintenance.
